#### Please attach:

- A copy of this nomination form
- Company description (one page maximum)
- A statement addressing the following selection criteria (less than two pages)

#### Selection Criteria

The company demonstrates that:

- It is developing innovative technologies or business models to address a need or problem in the energy sector.
- That the innovation has advantages over the status quo.
- That the innovation is (or has the potential to be) commercially viable.
- It is investigating the potential for a new market or industry.
- The products or services provide long-term environmental or social benefits.
- The company's actions inspire future innovation and innovators.

**NOMINATIONS CLOSE MONDAY 1 AUGUST 2022**
